January 25, 2012

Dear Hope Christian Academy Families,

Tim Tebow, quarterback for the Denver Broncos, hasn't gotten attention for dog fights, or assaults or even mooning the crowd in a scoring celebration. The reason that he has been named one of football's most offensive players (and also won the love of most of America) is that he consistently, humbly, gives glory to God.

Wow, isn't that what we all want our lives to say? In whatever we do, "God, receive the glory that is rightfully yours." That's one of the benefits of a Christian School. Every day we challenge one another to do all we do for the glory of God. I was complementing HCA students this week on their Facebook pages. I don't spend a lot of time there, but this last week I spent a little time looking at the students "posts" and "walls" and pictures. Many of them clearly give glory to God!

Today the HCA Board released tuition figures for the 2012-2013 school year and we officially kicked off the new registration season. Christian school has so much to offer and God's glory "prints" are all over the students and programs at HCA. As the world around us strays further and further from the truth, a Christian education becomes more and more valuable. As you register your children for next year, think of who else you could encourage to register also. The Open House tomorrow is a wonderful opportunity to introduce friends to Hope Christian Academy. New students and returning students may register anytime between now and May 1.

Report Cards are included today. Praise your student for their academic work.

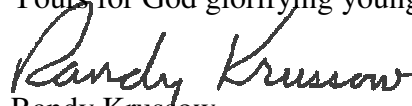

Parent Teacher Conference confirmation times are included. Teachers are looking forward to visiting with every family.

HCA students had a fierce Geography Bee competition the first two weeks of January. Today Lauren Kress was honored as our HCA representative in the written state Geography Bee competition. She was the highest scorer in the eligible grades up to grade 8. She and Tori Doran were co-leaders until we had a final tie-breaking quiz last week. Claire Braun was recognized for the highest overall score in the school, grades 5-12.

We are still looking for a few more travelers to join our HCA team on the June 11-17 Washington DC / New York trip. Take a look at the daily itinerary of the trip to Washington D.C., New York, Philadelphia, and the Creation Museum at [www.acts-tours.com](http://www.acts-tours.com). Type in our Tour Code of T122039A and Password: 39903. The price includes travel, lodging, admittance to all events, and most meals. Register online or contact me for more information.

Do you know of anyone who deserves a good Christian education? Help them make it happen. Our country desperately needs young men and women who know the truth and live to make it known.

Yours for God glorifying young people,

  
Randy Krussow  
Principal
