

## HOPE CHRISTIAN ACADEMY UPDATE

### February 3, 2010

**SPIRIT Week, SPIRIT Week, SPIRIT Week!** Take a look at the enclosed information. Some of the opportunities start with involvement or preparation this weekend . . . so come prepared for a FANTASTIC week next February 8 – 12!

**Girl's Basketball additional opportunity!** We have had an chance to add a girl's basketball game this Saturday at 5:00 p.m. in one gym while the HCA boy's team plays in the other gym at the North / South Basketball Challenge in Brahm, Minnesota. See the enclosed directions and schedules for the games Friday and Saturday. (There is no boy's basketball practice on Thursday night.) There are home games next Tuesday and Thursday afternoons and Friday evening! Come and support our teams.

Next week's field trip will be available to all HCA students as a special SPIRIT Week Celebration. We'll be going **snow tubing at the Badlands** just northeast of Hudson, Wisconsin. The only requirement will be the weekly Scripture memory (Galatians 5:(16-18)19-21). The field trip does cost \$10.

As some of you may know, Mrs. Mary Hale, our piano teacher, underwent heart surgery earlier this week. The doctors successfully installed a stent, and she is now recovering at home. She plans to be back on Monday next week to resume giving piano lessons.
