June 23, 2010

Dear Hope Christian Academy Friends,

Included are test results from the April Stanford Achievement Tests and the Otis-Lennon Abilities Tests. We are very proud of HCA students as they continue to achieve well above the national norm in almost every area.

Also included is an overview of the awards and honors given at the recent Hope Christian Academy Graduation and Awards Ceremony. As well as recognizing all the students and over 40 staff, board members and volunteers, we honored Mr. Wayne Polly for 12 years of volunteer service and Mr. Homer Miles for 17 years of volunteer service in the HCA learning centers. There was no doubt about the love of the students toward these two as demonstrated by the impromptu standing ovation and applause.

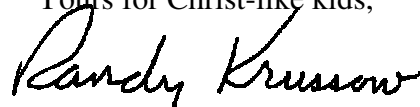

I was especially blessed by the student's work on the Spring Outreach field trip May 21. On that day one group of courageous students interviewed shoppers at Maplewood Mall using a 10 Commandments Survey and leading the conversation to sin and salvation in Jesus Christ with whoever would respond. Another group went door-to-door in St. Paul Park collecting food for the local food shelf. They collected 186 pound in just over an hour. Two other groups of students beautified our section of Highway 10 & 61 for the Adopt-a-Highway program and two local parks by picking up trash. Congratulations, students, on expressing your love for Christ in very practical ways!

School continues this summer with a small class meeting each morning for summer school. Mrs. Ockwig is feeling stronger each day and she is inspiring the students to greater academic achievement and leading them to know the Savior better each day, too. Session II of summer school begins August 2. There is still time to enroll. Call (651) 459-6438.

Plan on coming to the HCA Parent Booster Club Garage Sale on August 19 & 20. The sale is open each day from 9-5 and will be held right at school. Everything will go to half-price on Friday. We'll need lots of volunteers to help run the sale. Donations can be dropped off during any work day in August. If you would like to help by volunteering or donating goods, call the school or e-mail at: office@HopeChristianAcademy.org.

I am taking a little time to grow plants in my gardens this summer. I like to nurture things and watch them grow!

Yours for Christ-like kids,

Randy Krussow
Principal
