

Hope Christian Academy Update

December 13, 2017

HCA Christmas Program this Friday!

The **Christmas Program** is this **Friday, December 15, 7:00 p.m.!** We want to remind families that students should wear black dress slacks and long-sleeve white tops, unless otherwise directed. Please join HCA families in providing 2 dozen cookies or bars per family for the refreshment time following the performance. They can be placed on the serving tables in the entry of the church when you come for the program. Students should be in their places by 6:30 p.m. The student piano prelude will begin by 6:45.

The student council is busy planning the **party for the last day of school before Christmas Break, next Wednesday, the 20th.** Hopefully students are enjoying the Secret Pal game and will come with a gift for their Secret Pal next Wednesday. When they do, the gift should be wrapped with only the name of the person for whom it is for. The giver's name can be on the inside.

The **Compassion Child Offering** will be next Wednesday, December 20. Our prayers and support are helping Ansel grow strong in body and spirit.

The **“Slumber Party” field trip** this week includes the reward popcorn and movie earned through making the \$13,000 level of funds through the Marathon. Every student will be able to enjoy this field trip with the only requirement being to say this week's Scripture Memory, Matthew 2:5-8. Pajamas may be worn on Friday to make this reward even more fun for students!!!

Girls Junior High Basketball will begin in January. An informational meeting will be held Tuesday, December 19th at 4:00 at HCA to talk about details, so the girls will be ready to practice after break.
