

Hope Christian Academy Update

November 7, 2018

Student's First Quarter Progress Reports are included today. Some grades for skills other than every day classes like chapel notebook or band or choir are listed but not included in the total PACE count or average. Spanish grades include the 3 tests and then a Quiz Average Grade and a Daily Assignment Grade. Parents should bring their student's report with them to conferences next Thursday, November 15 or the following Monday, November 19. Confirmations of those conference times are also included today. If you did not receive a time for a conference, it means that the school has not received your Conference Sign Up Form.

Honor Roll and Perfect Attendance lists are also included. Congratulations to students on their hard work First Quarter!

This Friday the field trip is to Woodridge Park in Cottage Grove. Regular field trip requirements apply.

Students are encouraged to bring an offering to chapel next Wednesday, November 14 **for Ansel Tulumang, our Compassion International child from Indonesia.**

Only 2 weeks until HCA's Operation Christmas Child gift wrapping chapel. See the included brochure for details. Set aside a shoebox and begin collecting gifts to fill it now!

Junior and Senior High students and any interested parents will go to the warehouse Tuesday evening, November 27, to deliver Hope's boxes and help prepare some of the 1 million boxes shipped out of the Minneapolis Distribution Center! We'll eat at McDonalds on the way and return home about 9:30 p.m.

Girls' Basketball practices will begin Thursday, November 29 and continue Tuesdays and Thursdays from there .
