

# Hope Christian Academy Update

March 6, 2019

The **Spaghetti Supper and associated sales will be upon us when we come back from Spring Break. Saturday, March 23, is a very important event for the financial sustainability of our school.**

Thanks for the many generous responses that we have received already! Pray for God's blessing!

We just received the **tickets for the Pre-sale raffle**. They have all the essential information printed on them. They **sell for \$1 each** and will give the buyer a **chance to win 1) MN Wild Tickets for April 2 valued at over \$250, 2) \$150 cash in Visa Cards, 3) a 10.1 inch Intel tablet with attachable keyboard, or 4) \$120 worth of mixed chocolates**. We are encouraging students to sell tickets to their friends and relatives before the supper night and especially through Spring Break. For every 50 tickets a student sells and returns cash to the school, they will receive a candy bar and their name in a drawing for 1) a RC Drone with camera, 2) lunch out at the MOA, or 3) a FREE Field Trip Pass. **We are asking parents to request tickets. They will not be given to students without parent permission.** Call the school 459-6438, send a note, or text Mr. Krussow at 651-334-9343. Mr. Krussow will be available during spring break to issue more tickets, so get selling!

This raffle will continue through the Spaghetti Supper evening until 7:00 p.m. when the drawings will occur and the winners will be announced. People DO NOT need to be present to win. **There will be a separate drawing that night for a beautiful queen size (96" x 96") quilt that Mrs. VanZee has hand made.** \$1 tickets for this drawing can be purchased that night or pre-purchased directly at school.

**Sign-ups** are included for **HCA Local Student Convention Thursday, April 4. They are not due back until March 27 but students can use their Spring Break time to prepare performances, art work, and photography. Please help students sign up and prepare for events.** Students must sign up for at least one event that they do and one event that they display. They may sign up for 1 to 5 individual events that they do and up to 8 events that they display. Sometimes younger students may feel badly about not winning any ribbons on Convention Day, but parents can help them enter less common events where they are likely to win a ribbon. Sign-ups are due by Wednesday, March 27. (Students already registered for Regional Convention need to sign up for this convention also. They may select additional events but should at least choose the same events that they are preparing for Regional Convention.)

Our next **chapel offering for HCA's Compassion Child, Ansel,** will be Wednesday, March 20. **No District Busing Friday. \$6 Field Trip to MN Vikings Museum Friday.**
