

Hope Christian Academy Update

May 8, 2019

There is NO food required for the **Spring Program tomorrow (Thursday) night**. Just come and enjoy. **We would like students to dress up** – collared shirts (and ties), dress pants and shoes for boys, and modest, knee-length dresses or skirts or dress pants for girls. Every student has a part and is expected to participate. **Please have students to the St. Thomas Aquinas church building by 6:30**. Band students should go immediately to the stage/band area. Other students should go to their seating area in the back of the sanctuary. Piano prelude starts at 6:45 with the program welcome at 7:00.

The **field trip** to the Cottage Grove Police Station this Friday is free. Friday is also **VISIT Day** if you have any friends or family that want to check out Hope Christian Academy.

The **last offering of the year for Compassion Child Ansel Tulamang is next Wednesday**. Please bring/send a generous offering to help cover Ansel's needs through our summer.

The **HCA Garage Sale is this Saturday from 9-1**. Please enlist to help and/or drop off things to sell. We'll have quite a few interesting things plus food and games for kids. Volunteers are working Friday from 5-7 pm to organize items. People have been dropping things off already but we are encouraging them to wait until Friday if possible – anytime 9 am – 7 pm.

Mid-Quarter Slips are enclosed today. Finish the year strong. Encourage your student to finish the listed Honor Roll requirements.

We're looking for someone that has a gift to write and a heart for our school. We would like to get a short article out to the newspaper, email, and Facebook each week promoting the great things that HCA students are doing. The kids are constantly doing amazing things and we'd like to promote them better. Interested? Contact Mr. Krussow.

Hopefully your students have signed up for Track and Field Day. The deadline was today.
