**Air Conditioning Repair and Servicing**

Call Boe's Heating Air & Appliance Repair in Cottage Grove, MN, for your air conditioning service and repair needs. When you call, you will be asked few questions, such as the location of your residence to confirm you are in our service area, and the brand of your cooling system. Service is provided for central air systems only. We do not service window/wall units.

There are many reasons why an air conditioning system fails to function properly. A service call will determine what your specific problem is and the steps needed to correct it.

**We Offer A Fall Furnace Tune-Up That Includes The Following:**

- Check Air Filter
- Check Compressor Amp Draw
- Check Condenser Motor and Oil
- Check Condition of Contactors
- Check Inside and Outside Temperatures
- Check Overall Operation of System
- Check Suction and Highside Pressure
- Check Temperature Drop
- Check Thermostat
- Clean Condenser
- Inspect Blow Out Drain
- Inspect Blower Assembly
